

Annual Report 2014

Dear Friends of Agape Adoptions,

In the first days of 2015, we received notice that our Hague accreditation has been renewed, the culmination of a year-long process for our agency. We are thrilled that the Hague has affirmed the integrity and professionalism that we strive to offer each of our families.

Your partnership with us continues to be an invaluable source of encouragement and support. This year we enjoyed new donor partnerships with Bellarmine Preparatory School (Tacoma, WA) and Amazon, as well as many enthusiastic individuals who share our passion for caring for children.

Thank you for your support in 2014. Together, we can do great things!

Myriam Avery, MA
Executive Director

Everyone we had contact with at Agape was professional, friendly and extremely efficient. We were very impressed!

Did You Know?

We reduced fees in honor of National Adoption Month (November).

We gave almost \$12,000 in donations to support our orphanages in China and more than \$12,000 to support our children's home in Uganda.

We are one of only a handful of agencies facilitating Romanian adoptions. Each year, we resubmit our licensing to the Romanian adoption authority so that we may continue providing this valuable service to families in the US.
